17th December 1953]

THE HON. DR. U. KRISHNA RAO :—" (1) No permits were issued to Sri Emerald & Co., for acquiring Iron and Steel for the period from 1st April 1952 to 30th June 1953 or before. The question, therefore, of any allotment for fabrication purposes, does not arise.

(2) Sri Emerald & Co., however approached this Government in February 1953 for recommending their case to the Controller of Stores for allotting to them a quantity of about 5,000 tons of scrap on top priority from the Railway Stores at Perambur and Golden Rock. This Government recommended their case for allotment on high priority. But, subsequently, it was understood that the materials were controlled categories and the Government therefore cancelled their recommendation and informed the Controller of Stores that, if the materials were controlled, they should be allotted to Controlled Scrap Stockists and if they were not, they should be allotted to anyone who was eligible for them under the instructions of the Iron and Steel Controller, Calcutta. The Iron and Steel Controller, has since allotted the materials to the Mysore Iron and Steel Works, Bhadravathi.

(3) The Controller of Stores has since informed the Director of Controlled Commodities, Madras, that a quantity of 1,333 tons of cast iron scrap pot sleepers broken or complete had been allotted to Sri Emerald & Co., by June 1953. Since there is no distribution control over cast iron scrap, no permits are necessary for acquiring them."
